Delhi: Delhi State Archives has issued an Archival Policy Resolution in respect of the records of the Union Territory of Delhi.

Andhra Pradesh: The necessary action will be taken on receipt of the Retention Schedule of the Central Government from the Department of Personnel & Administrative Reforms, Cabinet Secretariat, New Delhi.

Kerala: The matter is under consideration of the Government.

Tamil Nadu: The Resolution is under consideration.

Resolution XII: The Commission notes with regret that, inspite of its earlier recommendations, vide Resolution No.IV of its 31st Session held in 1955 and Resolution No.3(a) of the 36th Session held in 1961, the Government of India had not so far made arrangements for the manufacture of the Standard Quality Paper recommended by the ISI in consultation with the National Archives of India, with the result that the Union and States Governments, as well as others, were obliged to use low quality paper for their permanent records. The Commission, therefore, strongly recommends that urgent measures be adopted, either for manufacturing this paper in India, or for importing it from abroad, as in the long run the use of quality paper for permanent records would not only prove more economical, but was absolutely essential, keeping in view the importance of these records for the future generations.

National Archives of India: A meeting of the Committee set up to consider the question of use of standard quality paper in Government offices was held on 9 May 1975. The representative of the paper manufacturing units agreed to supply good quality paper samples being produced indigenously for tests by the National Archives of India. A few samples of paper were subsequently received and examined in the Research Laboratory of the National Archives of India. For ascertaining the uniformity of the quality in production it is now proposed to subject more samples for further investigations and some tangible conclusions might be arrived at within the course of a few months. Data on total quantum of paper that might be required is also being collected.

The annual approximate requirements indicated by the following States and Union Territories are given below:-

Name of the States	Annual requirements
1. Himachal Pradesh	5 Metric Tonnes
2. Meghalaya	5.06 " "
3. Mizoram	.5 " "
4. Orissa	300 " "
5. Uttar Pradesh	790 " "

Maharashtra, Madhya Pradesh, Andhra Pradesh, West Bengal, Bihar, Rajasthan and Tamil Nadu have replied that the matter is under consideration.

Resolution XIII: Resolved that appropriate authorities be moved to direct their attention to the archives of the Municipal Corporations and other Local Bodies, who should be asked to ensure their preservation in properly organised Record Rooms to be looked after by suitable staff. Further resolved that these records be regularly appraised and proper lists or catalogues be prepared of the permanent records, which should be made available for research to bonafide scholars.

Punjab: The matter has already been referred to the Government for taking necessary action.

Orissa: The Resolution is under active consideration of the Government.

West Bengal: The Municipal Service Department of the Government, under whose administrative control the various Local Bodies in the State function, have agreed to implement the Resolution.
